Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

PAYMENT IS DUE AT THE TIME OF SERVICE

Our office is a fee for service practice, dedicated to providing the best possible dental care to each and every one of our patients.

For your convenience, we accept the following forms of payment:

- ❖ Cash
- ❖ Check
- ❖ Major Credit Cards
- ❖ In office financing plans (ask for details)

INSURANCE

We have always found that dental insurance is helpful to our patients that are fortunate enough to be covered. However, insurance coverage is not intended to either pay for 100% of services or absolve the insured of their responsibility to pay. Any balance left after the insurance has made a payment is ultimately the patient's responsibility.

As a courtesy to our family of patients, we will file insurance claims on their behalf. Please note, however, that insurance claims that are more than sixty (60) days outstanding will become the patient's responsibility. If the insurance company pays after that date, we will gladly refund that payment to our patient.

ACCOUNT MANAGEMENT

After (90) ninety days without payment or other arrangements, accounts will be turned over to our attorney David E. Newman for collections, but a lack of communications and failure to inform us will result in this unfortunate action.

WE ARE HERE TO HELP

If at any time you have questions about your account or your treatment plan, feel free to ask. That is what we are here for! Your dental health is our primary concern, and our priority is to provide the best treatment for you in any way that fits your budget.

BROKEN APPOINTMENT/CANCELLATION LETTER

Patient Name: _____

Date: _____

When we make your appointment, we are reserving a room for your particular need. We ask that if you must change an appointment, please give us at least 48 hours notice. This courtesy makes it possible to give your reserved room to another patient who would need it.

There will be a charge for not showing up or not re-scheduling appointments with at least 48 hours in advance. Repeated cancellations or missed appointments will result in loss of future appointment privileges.

We feel our patient's time is valuable. When your appointment is made, a room is reserved, your records are prepared, and special instruments are readied for your visit. Except for emergency treatment for another patient, you can expect us to be prompt. We, of course, would appreciate the same courtesy from you.

We reserve the right for anyone who is more than 15 minutes late to their appointment to be re-scheduled.
